Chapter 1 by Story Wars

You wake up. You get dressed and at breakfast. You decide to take a walk. You go outside. You sit down beside a tree. You look up at the sun. It looks weird. You stand up to get a better look. You see that the sun is getting smaller and smaller. All the little pieces of sun that are falling from the sky are falling onto your house. Your house starts to burn. You don't care. You just ignore it until a little piece of sun falls onto your head. Your hair catches on fire. There's a gigantic explosion. You feel like you're the last person on Earth. And you are the last person on Earth.
